

MI-500-Michigan Balance of State Continuum of Care Governance Charter

1 CONTINUUM OF CARE OVERVIEW

1.1 CONTINUUM OF CARE

A Continuum of Care (CoC) is a collaborative funding and planning approach to providing homeless services. This approach was established as part of the McKinney-Vento Homeless Assistance Act, and later amended by the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act). A CoC represents a specific geographic area with representatives primarily coming from organizations that provide services to persons experiencing homelessness. A CoC serves two main purposes:

- To develop a long-term strategic plan and manage a year-round planning effort that addresses the identified needs of homeless individuals and households.
- To prepare an application for U.S. Department of Housing and Urban Development (HUD) McKinney-Vento Homeless Assistance Act competitive grants, and to oversee the administration of those grants towards the effective implementation of the community's strategic plan.

To support both of these efforts, CoCs are also responsible for gathering data on homelessness, including conducting a Point-In-Time (PIT) Count of all sheltered and unsheltered persons, completing an annual inventory of residential homeless programs targeted to households experiencing homelessness, and managing data collection from providers of targeted homeless assistance in a local Homeless Management Information Systems (HMIS).

HUD establishes the responsibilities of the CoC as the following:

- Operating a CoC (24 CFR 578.7 (a))
 - Hold meetings of the full membership, with published agendas, at least semi-annually
 - Issue a public invitation annually for new members within MI BOSCOG to join
 - Adopt and follow a written process to select a CoC Board (Governance Council) and review, update, and approve at least once every 5 years
 - Appoint additional committees, subcommittees, or workgroups
 - Adopt, follow, and update annually a governance charter in consultation with the Collaborative Applicant and the HMIS Lead
- Performance Targets and Monitoring (24 CFR 578.7 (a))

- Establish performance targets appropriate for population and program type in consultation with recipients and sub-recipients
- Monitor recipients and sub-recipients performance, evaluate outcomes, take actions against poor performers, and report to HUD as required
- Coordinated Assessment (24 CFR 578.7 (a))
 - Establish and operate a centralized or coordinated assessment system in consultation with recipients of ESG funds
 - Establish and follow written standards for providing CoC assistance in consultation with recipients of ESG funds
- HMIS (24 CFR 578-07(b))
 - Designate a single HMIS for MI BOSCOG and designate an eligible applicant to manage HMIS
 - Review, revise, and approve privacy, security and data quality plans
 - Ensure consistent participation of recipients and sub-recipients in HMIS
 - Ensure that the HMIS is administered in compliance with HUD requirements
- Planning (24 CFR 578.7 (c))
 - Coordinate implementation of a housing and service system
 - Conduct a PIT count of homeless persons that meets HUD's requirements
 - Conduct an annual gaps analysis of homeless needs and services
 - Provide information required to complete the Consolidated Plan(s)
 - Consult with State and local planning bodies in the MI BOSCOG geographic area on the plan for Continuous Quality Improvement
- Application for CoC Funds (24 CFR 578.9 (a))
 - Design, operate, and follow a collaborative process for the development of applications and approve submission of applications in response to a CoC Program NOFA
 - Establish priorities for funding projects
 - Determine if one or more applications will be submitted
 - Designate the Collaborative Applicant, who must collect and combine the required application information from all projects within the geographic area and will apply for funding for CoC planning activities
- Rank applications as required by HUD

1.2 THE MICHIGAN BALANCE OF STATE CONTINUUM OF CARE

The Michigan Balance of State Continuum of Care (MI BOSCOG) represents 61 of Michigan's 83 counties to HUD as a recognized Continuum of Care (CoC) Body; the remaining 22 counties are part of other CoC Bodies that apply directly to HUD. The 61 counties within the MI BOSCOG consist of Local Planning Body Committees (LPBs) who collaborate to bring together key partners in the community to best serve people experiencing homelessness.

As committees of the MI BOSCOG, the LPBs are provided technical assistance in implementing state and federal resources and delivering services. LPB program types

include but are not limited to: the Emergency Solutions Grant (ESG) Program, emergency shelter, transitional housing, rapid re-housing, and permanent supportive housing.

1.2.1 Formal Name

The formal name of the Michigan Balance of State Continuum of Care (MI BOSCO) and for the purposes of this Governance Charter it will be referred as “MI BOSCO”.

1.2.2 Mission

MI BOSCO promotes the prevention and ending of homelessness by developing and maintaining a system to coordinate federal and statewide resources and services, while promoting racially equitable opportunities for people experiencing homelessness in the Michigan Balance of State geographic area

1.2.3 Vision:

No one is homeless – everyone has a safe, stable place to call home.

1.2.4 Our principles are to:

- ***Prioritize vulnerable populations***

Homelessness has significant detrimental effects on everyone, yet there are some whose health and safety are placed at even greater risk for harm without a safe and stable place to call home.

These groups include, but are not limited to: children, youth, chronically homeless, individuals fleeing from domestic violence situations, veterans and people with disabilities. Homelessness is disproportionately high among the nation’s racial and ethnic minority groups. Minorities, particularly African Americans and Native Americans, are overrepresented among the community of homelessness, both as a percentage of the overall population and as a percentage of individuals living in poverty. Strategies to identify and assist the most vulnerable groups will be prioritized.

- ***Promote justice for all vulnerable populations***

To eliminate the disproportionate rates of homelessness among many communities of vulnerable populations, including youth, families, veterans, domestic violence and human trafficking, and those who are chronically homeless, we will adopt strategies to achieve equity in both access and outcomes in all areas of housing and services. Strategies will include culturally specific services, using a racially equitable lens across all program investments and dedicated funds to eliminate disparities.

- ***Use data-driven assessment and accountability***

To best utilize our resources, we must understand the outcomes of our investments for each demographic (by gender, race, ethnicity and the intersection of those factors), evaluate progress and demonstrate accountability. We will continue to improve and expand our community-wide data system so funders and providers can efficiently collect data, share knowledge for better client outcomes and report outcomes against the goals of the CoC.

- ***Engage and involve the community***

Policy makers and community stakeholders must understand the magnitude of the challenge, the costs if we do not meet the challenge, our strategies for ending homelessness and the importance of obtaining and allocating resources equal to our aspirations. An action plan for ending homelessness in Michigan will ensure that the specific concerns and interests of our local, regional and national stakeholders are heard and addressed.

- ***Strengthen system capacity and increase leveraging opportunities***

The longstanding solutions to prevent and end homelessness transcend multiple systems of care, foster care, education, domestic violence, community justice, health, mental health and addictions and available resources. To permanently end homelessness, we must strengthen efficiencies in our current system and better align other resources towards ending homelessness.

People have the right to participate in decisions affecting their lives. Those with the lived experience of homelessness are regularly stereotyped and face stigma, yet have a lot to teach about the needs and effective solutions to the widespread problems we collectively face. Racial and ethnic minority groups, particularly African Americans and Native Americans, are overrepresented among our community of homelessness and special attention will be given to ensure opportunities for equitable involvement in MI BOSCO.

Strengthening our system will include providing a variety of roles and opportunities for people with lived experience to engage in small ways and build engagement as they find connection and stability. Roles can include: participating in focus groups, leading focus groups or listening sessions, conducting surveys, providing support to other consumers, becoming engaged in a Consumer Advisory Board, and/or being a member on the Governance Council of MI BOSCO.

1.2.5 Purpose

MI BOSCO is the primary planning body for the geographic area of the MI BOSCO and coordinates the jurisdiction's policies, strategies, and activities toward the prevention and ending of homelessness. It is responsible for carrying

out provisions of the CoC Program Interim Rule established in 24 CFR 578.5 (a). MI BOSCOG members determine the policy direction of the CoC and ensure that the CoC fulfills its responsibilities as assigned by the U.S. Department of Housing and Urban Development (HUD). This Governance Charter outlines how the MI BOSCOG will be governed for purposes of assisting the CoC to achieve its vision.

2 STRUCTURE AND ORGANIZATION

2.1 MEMBERSHIP

Membership in the MI BOSCOG is open to and is to be comprised of individuals and agencies concerned with the development and coordination of homeless assistance programs.

2.2 GEOGRAPHIC AREA

MI BOSCOG serves the Local Planning Bodies (LPBs) within those geographic areas in the state that do not directly apply for HUD's Homeless Assistance Program (HAP) funding annually. This area currently encompasses 61 counties, but may fluctuate as communities can decide to apply directly to HUD for Homeless Assistance Program (HAP) funding instead of participating with Balance of State. HAP funding includes the Continuum of Care (CoC) Program and the Emergency Solutions Grant (ESG) Program.

MI BOSCOG recognizes that each community is unique, with different resources to combat homelessness, and that local solutions are best developed and administered locally through Local Planning Body committees. The counties covered by the MI BOSCOG are as follows:

4.3 MI BOSCO STAFF SUPPORT

The MI BOSCO retains a Coordinator through the use of HUD CoC Planning Grant funds to carry out its mission, pursuant to funding availability. A complete list of responsibilities and expectations of the Coordinator position are included in the Memorandum of Understanding (MOU) for the MI BOSCO Collaborative Applicant, as the fiduciary and employer of record for the Planning Grant funds.

5 DECISION-MAKING

All decisions other than those requiring a vote from an outside funding organization as a formality or to elect officers will be made using the C.T. Butler/A. Rothstein formal consensus model outlined in *On conflict and consensus: A handbook on formal consensus decision-making*. All members attending a meeting at which consensus is being sought may take part in the process.

- Proposals may be brought forth by committees or individuals
- Once a proposal is made, the Chair will ask if there are concerns. If concerns are voiced, the Chair will then ask the membership to address the concerns through solution-oriented discussion. The proposal is then edited to resolve the concerns or withdrawn. This process continues until consensus is reached, the proposal is withdrawn, or members with concerns step aside and allow the proposal to move forward without full consensus. <http://leadtogether.org/wp-content/uploads/2014/06/on-conflict-and-consensus.pdf>

In the rare occurrence that a vote is required by an outside funding organization as a formality, a simple majority (51% or more) of eligible voters present shall approve any

action. Prior to the vote being taken, consensus shall be reached through the formal consensus model in.

Elections for MI BOSCOG Officers will take place by the Governance Council membership at the Annual in-person meeting by a Closed Ballot.

5.1 CONFLICTS OF INTEREST

All Governance Council members will complete and sign a Conflict of Interest form at time of appointment or reappointment that identifies any potential conflicts of interest that may arise, including association with organizations that may have a financial interest in business items coming before the Governance Council. Before a Governance Council member can take action on any item, they must have previously disclosed any real or perceived conflicts of interest related to the business item at hand. These members will refrain from discussion or action on items where a conflict exists.

DESIGNATION OF THE MI BOSCOG COLLABORATIVE APPLICANT

MI BOSCOG designates Michigan State Housing Development Authority (MSHDA) as the MI BOSCOG Collaborative Applicant.

Annually, the Governance Council, through the MOU process described below, will designate an entity to serve as the Collaborative Applicant (CA) for the MI BOSCOG. The CA is responsible for submitting to HUD the annual CoC Competition consolidated application and project priority listing. The annual election of the CA should occur at the first official Council meeting immediately following the submission of the most recent CoC Application, thus allowing a full year for the CA to lead planning efforts and all work associated with preparation for the annual CoC Program Competition. For example, if the annual CoC Application was submitted in November and the next scheduled Council meeting occurs in January, then the CA for the next CoC Program Competition should be designated at that January meeting. If at any point in time the currently designated CA significantly fails in its duties, the Governance Council has the authority to hold an emergency meeting, as agreed to by a majority of current Council members, and designate a new CA.

A Memorandum of Understanding (MOU) detailing the full responsibilities and expectations of this designation will be reviewed and completed annually through the MI BOSCOG Contractual Oversight Committee.

6 DESIGNATION OF THE MI BOSCOG HOMELESS MANAGEMENT INFORMATION SYSTEM (HMIS) LEAD AGENCY

MI BOSCOC designates Michigan Coalition Against Homelessness (MCAH) as the MI BOSCO C HMIS Lead Agency. The Michigan State Housing Development Authority (MSHDA), as the designated Collaborative Applicant, is the fiduciary for the HUD Continuum of Care Program HMIS funding.

Annually, the Governance Council, through the MOU process described below, will designate an entity to serve as the Homeless Management Information System (HMIS) Lead Agency for the MI BOSCO C. The HMIS Lead Agency is responsible to manage the Central Repository including the Vendor Contract and indirect/advisory support to all non-MI BOSCO C Michigan Jurisdictions and to provide direct HMIS support to MI BOSCO C. All participating Jurisdictions sign a Joint Governance Charter that defines the roles and responsibilities of participating on the Statewide System. Oversight of the Statewide System will be provided, in part, through regular meetings of the Local System Administrators. The HMIS Lead Agency is responsible to provide at least quarterly updates of coordination efforts across the MI BOSCO C for HMIS training, technical assistance, and data collection, including any amendments to HMIS policies and procedures. If at any point in time the currently designated HMIS Lead Agency significantly fails in its duties, the Governance Council has the authority to hold an emergency meeting, as agreed to by a majority of current Council members, and designate a new HMIS Lead Agency.

A Memorandum of Understanding (MOU) detailing the full responsibilities and expectations of this designation will be reviewed and completed annually through the MI BOSCO C Contractual Oversight Committee.

7 GOVERNANCE CHARTER REVIEW

All requirements related to operation of MI BOSCO C laid out in the Governance Charter are subject to review, update, and approval annually. MI BOSCO C members will approve, review, and/or update MI BOSCO C requirements and processes at the Annual membership meeting. Any MI BOSCO C member may propose an amendment to this Charter by emailing the proposed amendment to the Secretary at any time, but proposed amendments will only be reviewed or approved at the Annual meeting.
