

Michigan Balance of State Continuum of Care (MI-500) Governance Charter

1 CONTINUUM OF CARE OVERVIEW

1.1 CONTINUUM OF CARE

A Continuum of Care (CoC) is a collaborative funding and planning approach to providing homeless services. This approach was established as part of the McKinney-Vento Homeless Assistance Act, and later amended by the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act). A CoC represents a specific geographic area with representatives primarily coming from organizations that provide services to persons experiencing homelessness. A CoC serves two main purposes:

- To develop a long-term strategic plan and manage a year-round planning effort that addresses the identified needs of homeless individuals and households.
- To prepare an application for U.S. Department of Housing and Urban Development (HUD) McKinney-Vento Homeless Assistance Act competitive grants, and to oversee the administration of those grants towards the effective implementation of the community's strategic plan.

To support these efforts, CoCs are also responsible for gathering data on homelessness, including conducting a Point-In-Time (PIT) Count of all sheltered and unsheltered persons, completing an annual inventory of residential homeless programs targeted to households experiencing homelessness, and managing data collection from providers of targeted homeless assistance in a local Homeless Management Information Systems (HMIS).

- HUD establishes the responsibilities of the CoC as the following:
 - Operating a CoC (24 CFR 578.7 (a))
 - Hold meetings of the full membership, with published agendas, at least semi-annually
 - Issue a public invitation annually for new members within the CoC to join
 - Adopt and follow a written process to select a CoC Board and review, update, and approve at least once every 5 years
 - Appoint additional committees, subcommittees, or workgroups
 - Adopt, follow, and update annually a governance charter in consultation with the Collaborative Applicant and the HMIS Lead
- Performance Targets and Monitoring (24 CFR 578.7 (a))
 - Establish performance targets appropriate for population and program type in consultation with recipients and sub-recipients
 - Monitor recipients and sub-recipients' performance, evaluate outcomes, take actions against poor performers, and report to HUD as required
- Coordinated Assessment (24 CFR 578.7 (a))

- Establish and operate a centralized or coordinated assessment system in consultation with recipients of ESG funds
- Establish and follow written standards for providing CoC assistance in consultation with recipients of ESG funds
- HMIS (24 CFR 578-07(b))
 - Designate a single HMIS for the CoC and designate an eligible applicant to manage HMIS
 - Review, revise, and approve privacy, security, and data quality plans
 - Ensure consistent participation of recipients and sub-recipients in HMIS
 - Ensure that the HMIS is administered in compliance with HUD requirements
- Planning (24 CFR 578.7 (c))
 - Coordinate implementation of a housing and service system
 - Conduct a PIT count of homeless persons that meets HUD’s requirements
 - Conduct an annual gaps analysis of homeless needs and services
 - Provide information required to complete the Consolidated Plan(s)
 - Consult with State and local planning bodies in the CoC’s geographic area on the plan for Continuous Quality Improvement
- Application for CoC Funds (24 CFR 578.9 (a))
 - Design, operate, and follow a collaborative process for the development of applications and approve submission of applications in response to a CoC Program Notice of Funding Opportunity (NOFO)
 - Establish priorities for funding projects
 - Determine if one or more applications will be submitted
 - Designate the Collaborative Applicant, who must collect and combine the required application information from all projects within the geographic area and will apply for funding for CoC planning activities
 - Review and rank applications as required by HUD

1.2 THE MICHIGAN BALANCE OF STATE CONTINUUM OF CARE

The Michigan Balance of State Continuum of Care (MIBOSCOC) represents 61 of Michigan’s 83 counties to the US Department of Housing and Urban Development as a recognized Continuum of Care (CoC) body. These are 61 of the most rural counties across the State of Michigan, stretching from the western mountains of the Upper Peninsula, across the Thumb, and to the Indiana border. Additionally, the MIBOSCOC partners with sovereign Tribal Nations to join efforts in ending homelessness for Tribal citizens on Tribal lands. Our goal is to work together to end homelessness by sharing best practices and combining efforts to secure additional housing resources.

The MIBOSCOC is a system that conducts most of its work through committees, some are organized around a goal (improving system performance), some around special population groups (youth), and some around geographic area (local planning bodies). Each of these committees strengthens the work of the whole, with the goal of making homelessness rare, brief, and non-recurring.

1.2.1 Formal Name

The formal name of the Michigan Balance of State Continuum of Care (MIBOSCOC) and for the purposes of this Governance Charter it will be referred as “MIBOSCOC”. In federal funding contexts, MIBOSCOC is referred to as MI-500 Michigan Balance of State Continuum of Care.

1.2.2 Mission

MIBOSCOC promotes the prevention and ending of homelessness by developing and maintaining a system to coordinate federal and statewide resources and services, while promoting racially equitable opportunities, for people experiencing homelessness in the Michigan Balance of State geographic area.

1.2.3 Vision

No one is homeless – everyone has a safe, stable place to call home.

1.2.4 Principles

- Prioritize vulnerable populations

Homelessness has significant detrimental effects on everyone, yet there are some whose health and safety are placed at even greater risk for harm without a safe and stable place to call home.

These groups include, but are not limited to: children, youth, chronically homeless, individuals fleeing from domestic violence situations, veterans and people with disabilities. Homelessness is disproportionately high among the nation's racial and ethnic minority groups. People of color and those who identify as LGBTQIA+, particularly African Americans and Native Americans, are overrepresented among the community of homelessness, both as a percentage of the overall population and as a percentage of individuals living in poverty. Strategies to identify and assist the most vulnerable groups will be prioritized.

- Promote justice for all vulnerable populations

To eliminate the disproportionate rates of homelessness among many communities of vulnerable populations, including youth, families, veterans, domestic violence and human trafficking, and those who are chronically homeless, we will adopt strategies to achieve equity in both access and outcomes in all areas of housing and services. Strategies will include culturally specific services, using a racially equitable lens across all program investments and dedicated funds to eliminate disparities.

- Use data-driven assessment and accountability

To best utilize our resources, we must understand the outcomes of our investments for each demographic (by gender, race, ethnicity, and the intersection of those factors), evaluate progress and demonstrate accountability. We will continue to improve and expand our community-wide data system so funders and providers can efficiently collect data, share knowledge for better client outcomes and report outcomes against the goals of the CoC.

- Engage and involve the community

Policy makers and community stakeholders must understand the magnitude of the challenge, the costs if we do not meet the challenge, our strategies for ending homelessness and the importance of obtaining and allocating resources equal to our aspirations. An action plan for ending homelessness in Michigan will ensure that the specific concerns and interests of our local, regional, and national stakeholders are heard and addressed.

- Strengthen system capacity and increase leveraging opportunities

The longstanding solutions to prevent and end homelessness transcend multiple systems of care, foster care, education, domestic violence, community justice, health, mental health and addictions and available resources. To permanently end homelessness, we must strengthen efficiencies in our current system and better align other resources towards ending homelessness.

People have the right to participate in decisions affecting their lives. Those with the lived experience of homelessness are regularly stereotyped and face stigma yet have a lot to teach about the needs and effective solutions to the widespread problems we collectively face. Racial and ethnic minority groups, particularly African Americans and Native Americans, are overrepresented among our community of homelessness and special attention will be given to ensure opportunities for equitable involvement in MIBOSCOC.

Strengthening our system will include providing a variety of roles and opportunities for people with lived experience to engage in small ways and build engagement as they find connection and stability. Roles can include: participating in focus groups, leading focus groups or listening sessions, conducting surveys, providing support to other consumers, becoming engaged in a Consumer Advisory Board, and/or being a member on the Governance Council of MIBOSCOC.

1.2.5 Purpose

MIBOSCOC is the primary planning body for the geographic area of the MIBOSCOC and coordinates the jurisdiction's policies, strategies, and activities toward the prevention and ending of homelessness. It is responsible for carrying out provisions of the CoC Program Interim Rule established in 24 CFR 578.5 (a). MIBOSCOC members determine the policy direction of the CoC and ensure that the CoC fulfills its responsibilities as assigned by the U.S. Department of Housing and Urban Development (HUD). This Governance Charter outlines how the MIBOSCOC will be governed for purposes of assisting the CoC to achieve its vision.

Member Selection

Each MIBOSCOC county is allotted one representative to the Governance Council. Each LPB can determine its own process for selection of its counties' representatives. When a representative is chosen by a LPB to serve on MIBOSCOC, the LPB Chair, Co-Chair, or Coordinator will notify the MIBOSCOC staff and provide contact information.

Term of Office

The county representatives will serve staggered terms of two years so that every year half of the MIBOSCOC members representing counties within LPBs will stand for election by their LPB. LPBs may determine the method of choosing county representatives including any limitations to terms. Terms begin January 1 and end December 31. Additionally, this Committee is responsible for slating Officers, Governance Council members and Committee nominations, while ensuring diversity, balanced stakeholder representation and institutional memory. The Committee provides information to new members that will orient them to the Governance Council and its role within the MIBOSCOC, including the Governance Charter, current Governance Council roster, and membership benefits and responsibilities. Chairs of the subcommittees do not need to be Governance Council members and are recruited based on their expertise. Committee members must complete all assigned trainings designated for the committee.

3.9 LOCAL PLANNING BODY (LPB)

To ensure the highest quality service across the MIBOSCOC geographic area, there are Local Planning Bodies (LPB) committees that allow for collaboration and development of best practices at the county or counties level to be shared with the MIBOSCOC. The geographic area of each LPB is most often determined by existing partnerships and mutual service needs and can also be defined through specific funding opportunities such as the Emergency Solutions Grant (ESG). LPBs are the lead local workgroups responsible for managing community planning, coordination and evaluation to ensure that the system of homeless services and housing resources makes homelessness rare, brief, and one time.

Roles and Responsibilities:

- Foster an inclusive and diverse local network of service providers, government agencies, ensuring the BIPOC leaders are at the table as well as individuals with lived experience so they are kept aware of activities and accomplishments toward ending homelessness
- Build foundational knowledge of homeless services and housing resources among members that includes best practices, effective approaches to reducing homelessness, and level of need within the LPB area

The LPB is a committee of the MIBOSCOC made up of individuals and organizations concerned with ending homelessness including HARA, shelters, CoC funded, persons with lived experience, youth, DV and Veteran providers, County/City representatives.

LPB meeting dates and times shall be set by each LPB and will be as frequently as necessary to fulfill its responsibilities, but no less than quarterly. Within each LPB there may be additional sub- committees to address specific needs identified for the local community. Each LPB and sub- committee shall be facilitated by a Chairperson selected through consensus by the LPB members.

3.10 AD-HOC COMMITTEES

MIBOSCOC may form short-term committees on an as-needed basis to accomplish certain tasks and address special populations. Committee membership is solicited from the full membership and will vary depending on the particular needs of the group. Members of any Ad-Hoc Committee will serve until the assigned task is completed.

4 MIBOSCOC GOVERNANCE COUNCIL MEETING STRUCTURE

The MIBOSCOC Governance Council meeting structure includes standing agenda items, schedules, and staff support as outlined below.

4.1 STANDING AGENDA

- Review and consensus of agenda and previous meeting minutes
- Presentation from MIBOSCOC Coordinator or other designated topic expert for the betterment of practice within the MIBOSCOC and its Local Planning Bodies (LPBs)
- Updates from each Committee and sub-committee of the MIBOSCOC, as provided by the Committee Chair or designated representative
- Record of those in attendance (both Governance Council members and all others who choose to attend)
- Opportunity for public comment or announcements (standing and those identified by the Executive Committee on specific agenda items)

4.2 MEETING SCHEDULES

- Anyone is welcome to attend the Governance Council meeting.

- Governance Council will typically meet monthly. The fall Annual meeting will be an in- person meeting if possible. If circumstances prevent this, Annual meeting business will be held during a monthly Governance Council meeting.
- Executive Committee will meet at least once a month or as called by the Chair. The Executive Committee will select the presentations and topics for the Governance Council meeting.

4.3 MIBOSCOC STAFF SUPPORT

The MIBOSCOC retains a Coordinator with HUD CoC Planning Grant funds to carry out its mission, pursuant to funding availability. A complete list of responsibilities and expectations of the Coordinator position are included in the Memorandum of Understanding (MOU) for the MIBOSCOC Collaborative Applicant, as the fiduciary and employer of record for the Planning Grant funds. Additional staffing support may be contracted out as the Planning Grant budget allows.

5 DECISION-MAKING

All decisions other than those requiring a vote from an outside funding organization as a formality or to elect officers will be made using the C.T. Butler/A. Rothstein formal consensus model outlined in On conflict and consensus: A handbook on formal consensus decision-making. All members attending a meeting at which consensus is being sought may take part in the process.

- Proposals may be brought forth by committees or individuals
- Once a proposal is made, the Chair will ask if there are concerns. If concerns are voiced, the Chair will then ask the membership to address the concerns through solution-oriented discussion. The proposal is then edited to resolve the concerns or withdrawn. This process continues until consensus is reached, the proposal is withdrawn, or members with concerns step aside and allow the proposal to move forward without full consensus. <http://leadtogether.org/wp-content/uploads/2014/06/on-conflict-and-consensus.pdf>

In the rare occurrence that a vote is required by an outside funding organization as a formality, a simple majority (51% or more) of eligible voters present shall approve any action. Prior to the vote being taken, consensus shall be reached through the formal consensus model.

Elections for MIBOSCOC Officers will take place by the Governance Council membership at the Annual in-person meeting by a Closed Ballot.

5.1 CONFLICTS OF INTEREST

All Governance Council members will complete and sign a Conflict of Interest form at time of appointment or reappointment that identifies any potential conflicts of interest that may arise, including association with organizations that may have a financial interest in business items coming before the Governance Council. Before a Governance Council member can act on any item, they must have previously disclosed any real or perceived conflicts of interest related to the business item at hand. These members will refrain from discussion or action on items where a conflict exists.

6 DESIGNATION OF THE MIBOSCOC COLLABORATIVE APPLICANT

MIBOSCOC designates Michigan State Housing Development Authority (MSHDA) as the MIBOSCOC Collaborative Applicant.

Annually, the Governance Council, through the MOU process described below, will designate an entity to serve as the Collaborative Applicant (CA) for the MIBOSCOC. The CA is responsible for submitting to HUD the annual CoC Competition consolidated application and project priority listing. The annual election of the CA should occur at the first official Council meeting immediately following the submission of the most recent CoC Application, thus allowing a full year for the CA to lead planning efforts and all work associated with preparation for the annual CoC Program Competition. For example, if the annual CoC Application was submitted in November and the next scheduled Council meeting occurs in January, then the CA for the next CoC Program Competition should be designated at that January meeting. If at any point in time the currently designated CA significantly fails in its duties, the Governance Council has the authority to hold an emergency meeting, as agreed to by a majority of current Council members, and designate a new CA.

A Memorandum of Understanding (MOU) detailing the full responsibilities and expectations of this designation will be reviewed and completed annually through the MI BOSCOC Contractual Oversight Committee.

7 DESIGNATION OF THE MIBOSCOC HOMELESS MANAGEMENT INFORMATION SYSTEM (HMIS) LEAD AGENCY

MIBOSCOC designates Michigan Coalition Against Homelessness (MCAH) as the MIBOSCOC HMIS Lead Agency. The Michigan State Housing Development Authority (MSHDA), as the designated Collaborative Applicant, is the fiduciary for the HUD Continuum of Care Program HMIS funding.

Annually, the Governance Council, through the MOU process described below, will designate an entity to serve as the Homeless Management Information System (HMIS) Lead Agency for the MIBOSCOC. The HMIS Lead Agency is responsible to manage the Central Repository including the Vendor Contract and indirect/advisory support to all non-MIBOSCOC Michigan Jurisdictions and to provide direct HMIS support to MIBOSCOC. All participating Jurisdictions sign a Joint Governance Charter that defines the roles and responsibilities of participating on the Statewide System. Oversight of the Statewide System will be provided, in part, through regular meetings of the Local System Administrators. The HMIS Lead Agency is responsible to provide at least quarterly updates of coordination efforts across the MIBOSCOC for HMIS training, technical assistance, and data collection, including any amendments to HMIS policies and procedures. If at any point in time the currently designated HMIS Lead Agency significantly fails in its duties, the Governance Council has the authority to hold an emergency meeting, as agreed to by a majority of current Council members and designate a new HMIS Lead Agency.

A Memorandum of Understanding (MOU) detailing the full responsibilities and expectations of this designation will be reviewed and completed annually.

8 TRIBAL NATION PARTNERSHIPS

Any of the 12 Tribal Nations in Michigan may partner with the MIBOSCOC and participate in Governance Council and all other committees as described above. Because each Tribe is a sovereign nation, MIBOSCOC may enter an agreement with each Tribal Government individually if so desired. Tribal entities may also select a member to represent them by completing the Governance Council application.

9 GOVERNANCE CHARTER REVIEW

All requirements related to operation of MIBOSCOC laid out in the Governance Charter are subject to review, update, and approval annually. MIBOSCOC members will approve, review, and/or update MIBOSCOC requirements and processes at the Annual membership meeting. Any MIBOSCOC member may propose an amendment to this Charter by emailing the proposed amendment to the MIBOSCOC Coordinator at any time, but proposed amendments will only be reviewed or approved at the Annual meeting.
