Purpose and General Instructions

Purpose

Per federal HUD (Housing and Urban Development) [regulations](#), ESG (Emergency Solutions Grant) funding must be considered in coordination with HUD CoC (Continuum of Care) Program funding and all other sources of funding which provide for similar component services. This Exhibit 1 ensures that MSHDA ESG funding supports this requirement for each CoC and enhances the strategic use of funding for identified needs and priorities. Each CoC will detail its approach to service and funding coordination, partner collaboration, and effective referral processes as a strategic response to identified needs within each homeless crisis response system.

Following review of the submitted Exhibit 1, Homeless Assistance Specialists will provide individualized feedback and/or technical assistance as needed.
