

BoS CoC FY19 HUD CoC Program: Application Analysis

STRENGTHS

- Significant number of recipients and sub-recipients
- 100% alignment with Housing First and Low Barrier
- 100% use of Coordinated Entry and prioritization
- New projects and DV Bonus project submitted

BoS CoC FY19 HUD CoC Program: Application Analysis

WEAKNESSES

- HUD recapturing significant amounts of funding
- Projects struggling with client income data (cash and non-cash) and positive exits
- Need more New and Bonus project applications

BoS CoC FY19 HUD CoC Program: Application Analysis

OPPORTUNITIES

- Technical assistance to improve expenditure tracking and data collection
- Capacity building for agencies/collaborative partners to identify and submit New and Bonus projects
- Setting CoC service standards for PSH, RRH, and Joint TH/RRH

BoS CoC FY19 HUD CoC Program: Application Analysis

THREATS

- Loss of HUD funding due to lack of performance
- Decline in service quality for those experiencing homelessness
- More returns to homelessness

BoS CoC FY19 HUD CoC Program: Application Analysis

Next Steps

- **Technical assistance to applicants in order to improve overall project performance**
- **Establish routine monitoring mechanisms throughout the project year via the Performance and Outcomes Committee**
- **Continue strategic conversations at the BoS CoC level to identify needed resources and potential applicants**
