HUD CoC Competition

APPLICATION PROCESS

RANKING

HUD CoC Competition

• Over $2.2 billion in funding to all CoCs

APPLICATION PROCESS

RANKING

HUD CoC Competition

- Over $2.2 billion in funding to all CoCs
- MI BoS CoC - One Collaborative Applicant for 59 counties

APPLICATION PROCESS

RANKING

HUD CoC Competition

- Over $2.2 billion in funding to all CoCs
- MI BoS CoC - One Collaborative Applicant for 59 counties
- Over $9 million in overall BoS CoC project funding

APPLICATION PROCESS

RANKING

HUD CoC Competition

- Over $2.2 billion in funding to all CoCs
- MI BoS CoC - One Collaborative Applicant for 59 counties
- Over $9 million in overall BoS CoC project funding
- Most projects are "Renewal" projects

APPLICATION PROCESS

RANKING

HUD CoC Competition

- Over $2.2 billion in funding to all CoCs

- MI BoS CoC - One Collaborative Applicant for 59 counties

- Over $9 million in overall BoS CoC project funding

- Most projects are "Renewal" projects

- "New" projects come from reallocated funds of Renewal projects

APPLICATION PROCESS

RANKING

HUD CoC Competition

- Over $2.2 billion in funding to all CoCs
- MI BoS CoC - One Collaborative Applicant for 59 counties
- Over $9 million in overall BoS CoC project funding
- Most projects are "Renewal" projects
- "New" projects come from reallocated funds of Renewal projects
- "Bonus" projects come from HUD identified Bonus funds (competitive on a national scale)

APPLICATION PROCESS

RANKING

HUD CoC Competition

- Over $2.2 billion in funding to all CoCs
- MI BoS CoC - One Collaborative Applicant for 59 counties
- Over $9 million in overall BoS CoC project funding
- Most projects are "Renewal" projects
- "New" projects come from reallocated funds of Renewal projects
- "Bonus" projects come from HUD identified Bonus funds (competitive on a national scale)
- Opportunities to apply for Bonus funding each year (the only way to truly grow!)

APPLICATION PROCESS

RANKING

HUD CoC Competition

- Over $2.2 billion in funding to all CoCs
- MI BoS CoC - One Collaborative Applicant for 59 counties
- Over $9 million in overall BoS CoC project funding
- Most projects are "Renewal" projects
- "New" projects come from reallocated funds of Renewal projects
- "Bonus" projects come from HUD identified Bonus funds (competitive on a national scale)
- Opportunities to apply for Bonus funding each year (the only way to truly grow!)
- HUD CoC Competition is designed to secure funding one year ahead (FY19 refers to the application year, not the project year)

APPLICATION PROCESS

RANKING

HUD CoC Competition

- Over $2.2 billion in funding to all CoCs
- MI BoS CoC - One Collaborative Applicant for 59 counties
- Over $9 million in overall BoS CoC project funding
- Most projects are "Renewal" projects
- "New" projects come from reallocated funds of Renewal projects
- "Bonus" projects come from HUD identified Bonus funds (competitive on a national scale)
- Opportunities to apply for Bonus funding each year (the only way to truly grow!)
- HUD CoC Competition is designed to secure funding one year ahead (FY19 refers to the application year, not the project year)
- BoS CoC is soliciting 1-year projects that are renewed annually

APPLICATION PROCESS

RANKING

APPLICATION PROCESS

APPLICATION PROCESS

Local Process

- Local application submitted to BoS CoC
- Includes narrative responses, attachments, and verification of eligibility
- Scored then ranked for funding

APPLICATION PROCESS

Local Process

- Local application submitted to BoS CoC
- Includes narrative responses, attachments, and verification of eligibility
- Scored then ranked for funding

HUD Process

- Application completed in eSNAPS (Special Needs Assistance Programs)
- Includes narrative responses, attachments, and verification of eligibility
- Funded according to local ranking (unless HUD deems otherwise)

RANKING APPLICATIONS

★ RANKING APPLICATIONS

Ranking completed in "Tiers"

RANKING APPLICATIONS

Ranking completed in "Tiers"

Tier 1 ($8,474,706):
- 94% of all available funds (excluding Bonus funds)
- Infrastructure is always in Tier 1
- Most secure

RANKING APPLICATIONS

Ranking completed in "Tiers"

Tier 1 ($8,474,706):
- 94% of all available funds (excluding Bonus funds)
- Infrastructure is always in Tier 1
- Most secure

Tier 2:
- Remaining amount of all available funds
- Bonus funding amounts
- Least secure - based on overall CoC competitiveness

★ RANKING APPLICATIONS

Ranking completed in "Tiers"

Tier 1 ($8,474,706):
- 94% of all available funds (excluding Bonus funds)
- Infrastructure is always in Tier 1
- Most secure

Tier 2:
- Remaining amount of all available funds
- Bonus funding amounts
- Least secure - based on overall CoC competitiveness

To be considered for ranking, New and Bonus projects must meet the local application scoring threshold

NEW & BONUS AMOUNTS

NEW & BONUS AMOUNTS

- Based on HUD's calculations
- Formulas outlined in the NOFA
- Actual for Bonus funding amounts found in the CoC Estimated Annual Renewal Demand report

New Project Funding

- $846,648 in reallocated funding from Renewal Projects (estimate)

NEW & BONUS AMOUNTS

- Based on HUD's calculations
- Formulas outlined in the NOFA
- Actual for Bonus funding amounts found in the CoC Estimated Annual Renewal Demand report

New Project Funding

- $846,648 in reallocated funding from Renewal Projects (estimate)

CoC Bonus Project Funding

- $450,782
- Not DV-specific

NEW & BONUS AMOUNTS

- Based on HUD's calculations
- Formulas outlined in the NOFA
- Actual for Bonus funding amounts found in the CoC Estimated Annual Renewal Demand report

New Project Funding

- $846,648 in reallocated funding from Renewal Projects (estimate)

CoC Bonus Project Funding

- $450,782
- Not DV-specific

DV Bonus Project Funding

- $655,991
- Must target and serve DV population but applicant and potential subrecipients do not have to be DV services providers

NEW & BONUS AMOUNTS

- Based on HUD's calculations
- Formulas outlined in the NOFA
- Actual for Bonus funding amounts found in the CoC Estimated Annual Renewal Demand report

PROJECT DESIGN

PROJECT DESIGN

Permanent Supportive Housing (PSH)

- Indefinite rental/leasing assistance
- Dedicated to households that are chronically homeless
- Scattered site model vs Single site

PROJECT DESIGN

Permanent Supportive Housing (PSH)

- Indefinite rental/leasing assistance
- Dedicated to households that are chronically homeless
- Scattered site model vs Single site

Rapid Re-Housing (RRH)

- Up to 24 months rental/leasing assistance, depending on proposal

PROJECT DESIGN

Permanent Supportive Housing (PSH)

- Indefinite rental/leasing assistance
- Dedicated to households that are chronically homeless
- Scattered site model vs Single site

Rapid Re-Housing (RRH)

- Up to 24 months rental/leasing assistance, depending on proposal

Joint Transitional Housing / Rapid Re-Housing (TH/RRH)

- Must have the ability to provide both component types
- Led by household choice

✎ PROJECT DESIGN

Permanent Supportive Housing (PSH)

- Indefinite rental/leasing assistance
- Dedicated to households that are chronically homeless
- Scattered site model vs Single site

Rapid Re-Housing (RRH)

- Up to 24 months rental/leasing assistance, depending on proposal

Joint Transitional Housing / Rapid Re-Housing (TH/RRH)

- Must have the ability to provide both component types
- Led by household choice

Supportive Services Only - Coordinated Entry

- Coordinated Entry is not just the HARA (though historically the subrecipient)
- Demonstrate ability to function as a system
