Present: Cindy Arneson, Amy Eddinger, Michelle LaJoie, Sally Currie, Tina Allen, Jesica Mays, Jim Perlaki, Sophia Estrada

1. Welcome and Introductions
2. Goal/Action Item Progress
 - a. Governance Council Presentation: Committee met last week. Cindy, Jim, Amanda, Stephanie, all speaking during the presentation. Will update and highlight youth programs, have poll questions for the participants.
 - b. Youth Survey: UP Pilot: Reached out to Michelle Williams, the Lansing Dept of Ed Representative, can reach out to Rayme Martineau in UP. Tina will send along questions that NW used prior to starting the YHDP work.
 - c. Increasing Coverage in Upper Peninsula and Northern Michigan: Past UP coverage struggled with funding, amount was inconsistent. This will be included in the ask on Dome Day. MNYF planning committee is working with Michigan's Children and discussing that there needs to be adequate funding to cover the UP appropriately. Coming up with the numbers might be difficult, but HARA knows the cost of covering the area and MKV has good numbers, although their definition is more open and they count more youth.
 - d. New: Review of Coordinated Entry Policy: Jesica will post as a Google doc open for comments to the committee along with the DV Decision Tree Tool. Will also send link to the GC meeting.
 - e. Recommendation that people do not get a TB test in between vaccines- this could impact licensing.
