

MIBOSCOC Conflict of Interest Policy

Conflict of Interest Policy

All Michigan Balance of State Continuum of Care (MIBOSCOC) Governance Council and Funding Committee members will annually complete and sign a Conflict of Interest Statement and Questionnaire that identifies any potential conflicts of interest that may arise, including association with organizations that may have a financial interest in business items coming before the MIBOSCOC. No Funding Committee member may participate in the review or ranking of annual funding applications in which they are the applicant agency as this is a conflict of interest.

Article I – Purpose

- 1) The purpose of this Conflict of Interest policy is to protect the MIBOSCOC and to emphasize the MIBOSCOC’s commitment to the highest standards of integrity, fairness, and conduct so as to ensure the maximum public trust.
- 2) This policy is intended to supplement, but not replace, any applicable state and federal laws governing conflicts of interest applicable to nonprofit and charitable organizations.
- 3) This policy is also intended to identify “independent” members.

The MIBOSCOC Conflict of Interest Policy **applies to all Governance Council and Funding Committee members**. In their activities on behalf of and in their dealings with the CoC it is the responsibility of each Funding Committee member to avoid any actual conflict of interest and the appearance of a conflict of interest. Each person to whom this policy applies must be free of any activity, association, or investment which might influence or give the appearance of interfering with the independent exercise of his or her judgment in conducting the MIBOSCOC’s activities or in dealing with the MIBOSCOC.

Article II – Definitions

- 1) **Interested person** – Any MIBOSCOC Funding Committee member who has a direct or indirect financial interest, as defined below, is an interested person.
- 2) **Conflict of Interest** - A conflict of interest may exist when the interests or activities of any member, director, or officer may be seen as competing with the interest and activities of the BoS CoC; when the member, director or officer, derives a financial or other material gain as a result of a direct or indirect relationship. Such conflicts are presumed to exist in those circumstances in which a member or director’s actions may have a preferential impact upon the agency or entity employing the member or director. Such actions are presumed to include, but are not limited to, the development of policies in which a self-serving bias may be present as

well as in decisions affecting the allocation of resources. Members of the MIBOSCOC may not participate in decisions concerning awards of grants, provisions of financial benefits to such member or the member's organization, or implementing corrective actions as a result from MIBOSCOC Collaborative Applicant monitoring activities of MIBOSCOC CoC Program Funding and ESG Program Funding activities. They must excuse themselves from the decision making process.

- 1) **Financial interest** – A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
 - a. An ownership or investment interest in any entity with which the MIBOSCOC has a transaction or arrangement;
 - b. A management position in any entity which has a financial interest, such as serving on the Board of an organization with a financial interest in the MIBOSCOC;
 - c. A compensation arrangement with the MIBOSCOC or with any entity or individual with which the MIBOSCOC has a transaction or arrangement; or
 - d. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the MIBOSCOC is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the Executive Committee decides that a conflict of interest exists, in accordance with this policy.

- 2) **Independent member** – A MIBOSCOC member shall be considered “independent” for the purposes of this policy if he or she is “independent” as defined in the instructions for the IRS 990 form or, until such definition is available, the member:
 - a. Is not, and has not been for a period of at least three years, an employee of the MIBOSCOC or any entity that has a financial interest with the MIBOSCOC;
 - b. Does not directly or indirectly have a significant business relationship with the MIBOSCOC, which might affect independence in decision-making;
 - c. Is not employed as an executive of another corporation where any of the MIBOSCOC's Executive Committee members serve on that corporation's compensation committee; and
 - d. Does not have an immediate family member who is an executive officer or employee of the MIBOSCOC or who holds a position that has a significant financial relationship with the MIBOSCOC.

Article III – Procedures

- 1) **Duty to Disclose** – In connection with any actual or possible conflict of interest, a member of the Governance Council or Funding Committee must disclose the existence of the conflict and/or financial interest and be given the opportunity to disclose all material facts.
- 2) **Recusal of Self** – Any MIBOSCOC Governance Council and/or Committee member has a duty to recuse themselves at any time from involvement in any decision or discussion in which the member believes they have a conflict of interest.
- 3) **Determining Whether a Conflict of Interest Exists**
 - a. The Funding Committee shall review all Conflict of Interest Statements submitted by Funding Committee members to determine whether a conflict of interest exists.
 - b. If a Funding Committee member believes there is a conflict of interest that was not previously identified, the member could ask their fellow member to recuse themselves. The Funding Committee could also agree to take action toward the member in question who had not previously disclosed their conflict of interest.
- 4) **Violations of the Conflicts of Interest Policy**
 - a. If the Funding Committee has reasonable cause to believe a MIBOSCOC Funding Committee member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
 - b. If, after hearing the member’s response and after making further investigation as warranted by the circumstances, the Funding Committee determines the member has failed to disclose an actual or possible conflict of interest, it shall forward the issue to the Executive Committee to take appropriate disciplinary and corrective action.
 - c. The Executive Committee may take disciplinary action.

Article IV – Records of Proceedings

The minutes of the Executive Committee reviewing a complaint shall contain:

- 2) Each member of the MIBOSCOC Governance Council and Funding Committee shall annually sign a statement which declares whether such person is an independent member.
- 3) If at any time during the year, the information in the annual statement changes materially, the Governance Council or Funding Committee member shall disclose such changes and revise the annual disclosure form at the earliest opportunity.
- 4) MIBOSCOC shall regularly and consistently monitor and enforce compliance with this policy by reviewing annual statements and taking such other actions as are necessary for effective oversight.

VI – Exceptions and Changes to Policy

The MIBOSCOC reserves the right to make an exception to this policy and procedures based on communication from HUD that impact the MIBOSCOC's ability to carry out the policy and procedures as described above. The MIBOSCOC also reserves the right to amend this policy on an annual basis.
